Precious Beginnings Will Remain Open!!

It was decided that the doors of Precious Beginnings Pregnancy Center, our satellite office, would be closing last November. God had other plans. At the same time, He was working on the heart of an area resident. She inquired about volunteering but quickly stepped up as she heard the news of the center closure.

Sheri Julian has graciously accepted the volunteer position of Executive Director for Precious Beginnings. Originally from Texas, she is married to local farmer Rex Julian. Together they are raising 8 children. They have 5 grown children and 7 grandchildren.

The current hours are Tuesday and Thursday, 10am to 2pm, and Wednesday, 4pm-8pm. Hours may change as more volunteers are acquired and donations are built back up. They are located at 201 East Central Avenue in Ulysses. Consider joining the team!

Precious Beginnings offers free and confidential services including pregnancy testing, various classes with a baby buck earning system, a babysitting course, community referrals and assistance with prenatal vitamins. Call (620) 356-2229 for more information.

To remain open, Precious Beginnings needs your help financially. They need volunteers. They need your encouragement and support. Thank you for prayerfully considering how you can be involved!
